

ALLIANZ LIFE LUXEMBOURG S.A.

IT Network and Security administrator

We're looking for a skilled IT network and security administrator to manage and implement the networking and security infrastructure of Allianz Life Luxembourg.

Your main activities

- In collaboration with our outsourced infrastructure provider, manage network implementation and security aspects (steering and follow-up of servers, firewalls, routers, VPNs configurations / implementations / updates done by provider).
- Ensure optimal network availability, monitor network and optimize performance, troubleshoot connectivity issues, resolve or report incidents.
- Ensure the networking infrastructure is compliant with Group security policies and you implement defined security rules in liaison with our Benelux CISO department.
- Conduct regular vulnerability assessments and penetration tests to identify and address network vulnerabilities.
- Own and maintain the Business Continuity Plan of the entity.
- Collaborate with business departments, and other Stakeholders to contribute to the strategic projects of the entity.

Required Experience

- 5-10 years in designing, implementing and managing network and security infrastructures.
- You have experience with network management tools and remote access solutions, as well as with network security devices.
- You have experience with cloud technologies (M365) and solid skills in server and database administration.
- You have excellent knowledge of networking standards and protocols
- You are able to work independently as well as in teams.
- Fluent in English (written & spoken).
- Degree in Computer Science, Software Engineering or related field.
- Use to work with business stakeholders.

Are you looking for an exciting challenge in a fast-moving international environment?

Diversity & Inclusion within Allianz

Allianz is an equal opportunity employer and therefore welcomes applications regardless of ethnicity or cultural background, age, gender, nationality, religion, disability or sexual orientation.

Diversity of minds is an integral part of Allianz' company culture. One means to achieve diverse teams is a regular rotation of Allianz Executive employees across functions, Allianz entities and geographies. Therefore, the company expects from its employees a general openness and a high motivation to regularly change positions and collect experiences across Allianz group.
